

ANOTHER INNOCENT COLORED MAN VICTIM OF MISSOURI LYNCHERS

IS MURDERED BY EXCELSIOR SPRINGS MOB

Charge Of Attacking Girl Believed To Be "Frame-Up" Because He Threatened To Expose Gang Of Cattle Thieves.

GIRL BROUGHT INTO CASE AFTER REST

Shows No Signs Of Having Been molested. Victim Is Surprised At Charge. Declares Innocence. Fights To Save His Life.

EXCELSIOR SPRINGS, Mo., Aug. 12.—Specular purpose of the Lynching—It was a horrific day here yesterday when a mob of several hundred men, women and children took part in the lynching of a colored man.

The Cause of The Lynching—The purpose of the lynching, it culminated to be the cause of the lynching chiefly those were that the girl was molested. But investigation by the writer indicates that nothing is further from being the truth of the matter. It was a gang of cattle thieves who at Nineteenth street and Tracy running houses, gambling dens and other resorts of questionable character, were engaged in robbing men, women, and children of their money and goods.

President of the board in the absence of D. M. Pinkerton promised immediate investigation.

Investigating Conditions Exist—Mrs. E. C. Ellis, 3521 Central St., was spokesman of the committee, which asked that the board continue its investigation in the police department in making investigations and acting upon the "unwholesome, degrading and immoral conditions existing to our country."

Mrs. Ellis said a committee representing the council reported entertainments of a questionable nature being at the Lincoln Theatre, 1328 East Euclid street, during hours of fame within the school of the "Klan."

Negroes from all over the world as well as colored Americans, will take an active part in the exposition.

Mrs. Ellis begged that conditions be relieved before the opening of school.

WOMEN VOTERS OF U.S. TO CELEBRATE SUFFRAGE

Will Observe Fifth Anniversary Of Ratification Of 19th Amendment.

NEW YORK, Aug. 12.—A country-wide celebration of the 15th anniversary of the proclamation of ratification of the woman suffrage amendment is to be held Saturday, Aug. 15, at the League of Women Voters' headquarters here. On August 16, five years ago the Nineteenth Amendment was ratified.

"There is a deal of speculation as to just what took place on Thursday night while the girl and young men were in the basement of the building. There were no scars or bruises.

He was in this capacity a graduate of the opportunity school, which is a branch of one of the largest and most prominent educational institutions in the country.

A few years ago when President Franklin D. Roosevelt appointed him to the position of Chief Surgeon at Freedman's Hospital of Washington, D. C., it was up to Dr. H. H. to take it in charge and develop his own program of medical service.

This did not satisfy the untiring, unselfish He. To him on unity today he has caused the Negroes to be the most prominent one of the most thorough post-graduate schools in the country, with some of Chicago's most able men, white and black, among its students.

The Negro graduate school, of which he is head, offers to all alike opportunities of race or creed an equal opportunity to meet the many changes in the world.

And the world's Special courses give "physicians contemplating entering the Medical Reserve Corps of the U. S. Army.

He has given to all these activities and more he never fails to make greater sacrifices of time so that he can lend a helping hand to doctors in every part of this country.

He has set up and dedicated more hospitals and dispensaries through this country than any other man.

BUTTERBEANS AND SUSIE ON GOOD VAUDEVILLE BILL AT THE BOOKER WASHINGTON

The vaudeville bill at the Booker Washington Theatre this week has been going strong, and it is becoming necessary to give some extra performances to take care of the crowds.

Butterbeans and Susie are the feature attraction of the team, making their usual big hits with songs, screaming comedy conversations and eccentric doings.

Another White team will be in town, consisting of the show with a song and dance act that keeps the audience going from her first appearance on the stage. She is adept with the Chinese fan.

Edward Thompson and Evelyn Preer have a domestic drama that is in keeping with their excellent team. Mrs. Preer's singing and their family difficulties a song. "After I Brought You the Sunshine etc." and does nicely. They have a disturbing and interesting story to tell and take the house by storm.

Lillian Gordan and May Williams, a female team sing, dance and have a cross fire of humor that is enter-taining, and leave the stage amid applause.

IDA COX ON THE B. W. BILL NEXT WEEK

IDA COX, the favorite blues record singer and actress, will be at the Comet Theatre next week. Joe Sims and "Pope" Warfield will be seen in a feature act. Also Ida Cox, and E. J. Jewell of the Lafayette Players fame will offer a comedy-drama sketch. Leroy Morton and Evan Robinson will be in a comedy sketch. The show will round out a bill that should be a big winner. Monday will be "Pay Day" for the patrons at the theater.

BOB RUSSELL DIES

Bob Russell Taylor, better known to the stage as "Bob Russell," died at City Hospital No. 2 last Saturday. It had been hoped that the talented showman would recover from the effects of paralysis resulting from a hand surgery and a handsome sum to defray medical expenses in a private hospital had recently been given him through the Midland Club of the Bookers' Washington Theatre. Bob was considered the most successful trainer of young stage talent in the country and many of his leading pupils now hold prominent positions due to his instructions. He was considered a strong-asset by theatre owners.

Mr. Taylor was 47 years old at his death and was a resident of Washington, D. C., where his wife, daughter, two grand children and an aunt resided. He was a member of the First Baptist Church in Hot Springs, Ark. Funeral services were held over the remains at the First Baptist Church on Monday morning. The body was interred in the Greenwood cemetery for burial. His wife was his constant companion until the end and his daughter came to the funeral.

An abundance of beautiful floral tokens expressed the last and respects of those who paid their respects to the pillow. "Our Brother" from the colored actors of Washington, D. C. A touching obituary, written by Mrs. C. Derrick, was read at the funeral.

THE PICTURE THEATRES

Books kept by David Powell head the east in "Lead Me Your Husband" at the Star Theatre this Saturday. It is the moving story in this picture of a woman who has been the victim of infidelity and the wife with continual "betrayal" of husbands and other such things by a society belle whose beauty and charm allow her to sweep men off their feet. This is but a bare skeleton of the major situation of the photoplay, the story gradually ascending to a smashing climax with very interesting climactic material.

"The Adventurous Sex" will be the Sunday matinee. Clara Bow is the leading star in this picture of sex as it is really experienced by the flappers and their male counterparts. Their gay parties, their amorous encounters, their adventures on horseback, all are told in a sympathetic but interesting and dramatic manner. Roy Stewart will also be seen in "Keith of the Red Rider."

William Desmond will be present in "Straight Through" on Sunday. The first episode of the adventure series "Perils of the World" will also be shown. Pete Morrison will be seen in "Always Ridin' to Win," and another feature, "Women Who Give" is the third offering. Jack Hoxie in a sensational Indian drama "The Red Rider" will be the Wednesday offering.

The Thursday offering next Thursday and Friday will be Laura LaPlante in "The Teaser," supported by Pat O'Malley. It is a broad comedy romance crammed with screamingly funny situations, including a flapper with a flirtation complex and a cigar salesman with a thirst for knowledge of etiquette and a jealous heart.

THE RETINA

Wright and Hodges' Dixie Dandy Minstrels, a combined show, will be the feature at the Retina Skydome this Friday and Saturday. The company is a real minstrel show, includes solo acts, Quartette and Jazz Band.

The show is replete with good singing and dancing, comedy, pretty girls and snappy patter. There will be a new comedy each day.

Earl Hester's Merry Makers will be the attraction on Sunday at the Retina Skydome. Jack and Belle Hester's "The Monday Feature" at the Retina will be the "Perils of the Wild" at the theatre.

The Monday feature at both will be the "Adventure Story of All Time" "PERILS OF THE WILD." See this Every Saturday.

**Boys Win Go After All Of
The A. B. C. Games While

The Monarchs**

The St. Louis Stars and the Indianapolis A. B. C. Boys are tied at the top of the game, each star's park's first Saturday. This series finds itself of much importance to the Stars, as they have placed this season. The Stars' last game was against Kansas City where they played the world champions, off their feet, but somehow let four games slip away at rather important times. Once however, did not count, because it ended in the tie, but the tying was actually done by the Stars after they had the game won. The Stars just won their last three times. So the Stars had themselves tied with these pesky American Giants for first place, because the Windy City aggregation was "attacking party" while the Stars were "defending party." The score has changed. President Rube and his boys will be struggling on Muchelich's green again, the rocky city, while the Stars' boys will be trying to hold on to game seven. If Foster gets one of the four games in Kansas City, the game-shake hands with himself, and then, he must come to us at last.

The Stars are going after all five of the Indianapolis games. Mr. Gurney incidentally, is the one commanding for "Pete" U.S.A. and the boys are determined to deliver. Although they had to let go three hard fought contests to the Monarchs, the Stars will be holding out game seven to the Hoosiers. If Foster gets one of the four games in Kansas City, the game-shake hands with himself, and then, he must come to us at last.

The Stars look more like a pennant winner today than ever before this season. Young Brown has proven himself a real work horse. For several days he did not allow the Stars to get a hit. Wednesday, and he only lost the game because of an error. Davis was not fit in Kansas City, but Hensley and Brown were both fine. These good pitchers can not be depended upon to bring the day to St. Louis.

The games at Stars' park will be called at 3 p.m., and Tuesday will be fast day.

**TWELVE HUNDRED FANS
FOLLOW STARS TO K. C.**

Twelve hundred baseball fans found in Kansas City last Sunday morning to see their pet play ball nearly three hours in the sun. One of the greatest demonstrations of loyalty ever staged in this country was a revelation to the western Missourians, who are getting ready to come to the rescue of the Stars. And really expect to bring at least half as many as visited them. They will see the Stars and American Giants the up, but they will be Missouri boosters.

**ST. LOUIS ALMOST SURE TO
HAVE PENNANT GAME**

owing to the fact that the Kansas City Blues, of the American Association, will close their season at the end of the month. However, we will be in the park for a pennant series, if same is necessary. Therefore the games will be divided between St. Louis and Chicago. If either club wins the second half, the pennant will be played between the fifth and tenth of September.

BLAMES ACTS OF PEOPLE FOR PREJUDICE

Writer Claims That Humans Are Not Born With Tendencies To Hate One Another; But Acquire Them

The question of prejudice is one of environment and not one of heredity according to the conclusions drawn according to a writer for the "Northwestern Christian Advocate," an outstanding Christian periodical.

In the article the author refers to prejudice as a thing manufactured as any commodity by daily use and manipulation. He says: "Prejudice is born with hatred in his body for his fellowmen of a different nationality from his."

The writer reads part:

"On a recent morning a newspaper reader of our acquaintance discovered two items of news in the daily paper he thinks he can afford to take note of:

"One item told that a student of Michigan University, Detroit, a student by name, had snatched the world's record for the running broad jump with a leap of 20 feet, 10 1/2 inches."

"Another told of an attack on a storekeeper by a thief, 'who shot at and wounded him, and the man died with the contents of the safe regrettably.'

"The day before, the same newspaper reader was again heard to habitually shout about one of Mathewson's most famous churches, as it sang with exquisite tenor a pleading and wistful composition 'Listen to the Lamb'."

Race Given in Crime Case

"Now it happens that the athlete was a Negro, the robber was a Negro, and the composer of the music was a Negro."

"The point is that this was mentioned once. Guess when?"

"We have heard the fact of the Negro being told when a Negro goes wrong than we should have if the paper gave similar information when a Jew, a German, or a Czechoslovakian goes wrong. But we do wonder why it should seem necessary at one time and not at another."

Whether do we ask that a Negro composer should be announced as such. It is enough that he is a musician.

If a Negro must always go on the debit side of the account, fair play suggests that the credit side might also use the word."

"Race relations may throw a modest ray of light on the general opinion that Negroes are lawless far beyond the average of races."

A Synonymous Case

"He was a Negro man who said: 'In six months I could make this country a most uncomfortable place for red-headed men if we were permitted, whatever red-headed man happened to become a law-breaker, to state in the newspapers that he had red hair; always supposing that the hue of every other lawbreaker's hair should never be mentioned.'

"Especially, we venture to add, if whenever a red-headed man did something worthy, all references to his red headedness were studiously avoided."

With Fear And Trembling

By Daniel W. Chase
Associated Negro Press

Anthony Trollope, the celebrated English novelist, after touring South Africa, seven years ago, wrote:

"South Africa is a country of black people and black men. It has been so; it is so; and will continue to be so. The important person in South Africa is the Kaffir and the Zulu, the Namaqua and the Hottentot—not the Dutchman, the Englishman, the German, the Frenchman."

At the time of this writing, fortune hunters were pouring into what is now called Kimberley, drawn there by the allures of diamond wealth, unusual within a very short time new towns sprang up. The Boer War too left thousands of settlers in the scattered and transient communities forgotten. Then there was considerable written about "the great White nation that would be housed between the Cape and the Zambezi." This is taken of course. Who is not Africa one of the richest places in the world?

White thinkers in the Continent are few—nearly all colored Africa, and the question is asked seriously whether or not the white race or a white civilization can hold its own in South Africa.

It is well known fact that after more than two hundred years of colonization by the white man, South Africa is still a country of black men, and that European civilization would be it is becoming relatively more and more a country of black men. Colored people are increasing far more rapidly than the white. Fifty years ago the colored population of the white population in this portion of the Black Continent was 300,000, while the native of black was 2,000,000. During the last four years five years has been rapid, and the present European population is approximated at 1,500,000. The colored population is now down to 5,000,000, and this notwithstanding the terrible roads made on the colored population by infestation which carried off 300,000 in 1918.

Industrially also, South Africa is somewhat surprising to European capitalists, and the failure of white action to measure up to the standard colored organizations that have been

"There is early and drastic

action a great country will have to

be added to the list of colored lands

of the world."

Mining and farming are the big industries, and manufacturing indus-

tries have sprung up in more or less years. The mining of gold has been

carried on particularly in this region,

but there has been noted lately that

gold mining is down, and the

miners are under fire.

The average South African farmer

has to content, and the fact that

a large proportion of the grown-

up population of colored families

will allow a Brethren to live on the

soil, all go to show that it

would be unwise "next year" if

it is always just twelve months from now.

This is fresh, and the average laugh

when the Chairman announced:

tant news—if true! ***

Other reports have come with rea-

sonable confidence that "Jack"

and when he is compelled to do so by

public pressure and boxing comis-

sions. But no otherwise nor other-

when.

Writers in the London press laughs

at the fact that conditions are as

are in South Africa, and are of the

opinion that the colored should be

done away with to prevent racial

movement, else there will be

natural development of the sub-conti-

nent "into a black and brown man's

land," and there will be no chance

for a peaceful nation or a wise civilization.

A

IMPROVED UNIFORM INTERNATIONAL Sunday School Lesson

OF REV. J. P. FITZWATER, D.D., Dean of the Faculty of the Moody Bible Institute of Chicago, 1925. Western Newspaper Union.

Lesson for August 16 TEMPERANCE LESSON

LESSON TEXT—Gal. 5:12-14.
GOLDEN TEXT—“He who received God is not mocked; for whatsoever a man soweth, that shall he also reap.”

PRIMARY TOPIC—A Picture of a JUNIOR TOPIC—Good and Bad Fruits.

SECONDARY TOPIC—And Support Topic—Drunkards and Kindred Evils; YOUNG PEOPLE AND ADULT TOPIC—The Flesh Against the Spirit.

Having sown in chapters 3 and 4 of this epistle, the writer believes that from the law as the means of justification Paul makes practical application of this doctrine.

1. **Christian Freedom** (vv. 13-15).

It is Not an Occasion to the Spirit.

Liberty is not license. The nation that when one is free from the law he is free from constraint, is wickedly erroneous. License of the flesh means not merely the indulgence of the flesh in its natural appetites, but in the expression of a self-conceited spirit in living and devoring one another (v. 15). Bickering among Christians is an example thereof.

2. **By Love, Serving One Another** (v. 16).

Freedom from the Master law means slavery to the law of love. This changing from bondage through Christ is the passing into a sphere of life in which all the powers should assist under the law of the spirit, not the flesh (v. 16). Bickering among Christians is an example thereof.

3. **Walking in the Spirit** (v. 16-17).

This discloses the secret of how a life of service to another can be lived. The governing principle in the life of a Christian is the Holy Spirit, walking in the Spirit, righteously.

1. **Loving Service to Others** (v. 13-17).

By the flesh is meant the carnal mind, the flesh being the realm of egoism and self. The carnal man becomes two men when a mortal conflict is going on. The Christian must choose between good and evil. When he chooses the evil, the Holy Spirit opposes, and when he chooses the good the flesh opposes. Notwithstanding this deadly conflict, victory is sure if one chooses the good.

II. **The Works of the Flesh** (vv. 18-21).

By works of the flesh is meant the operation of the carnal nature. The one who chooses to live according to the impulses and desires of his natural heart will be practicing the following sins:

Sensuality (v. 18).

The sins enumerated here are practiced in the sphere of the body and are:

(1) **Fornication.** (The word “adultery” is omitted from the best manuscripts.)

(2) **Carnality.** This means the wanton sexual indulgences in the flesh.

(3) **Impudency.**

(4) **Evil Deeds.**

(5) **Abominations.** This includes all sensual sins, open or secret, or “dead.”

(6) **Lasciviousness.** This means the wanton sexual indulgences in the flesh.

(7) **Envy.**

(8) **Wrath.**

(9) **Anger.**

(10) **Gluttony.** This means in excess of indulging in intoxicating liquors.

(11) **Drunkennes.** This means indifference in intoxicating liquors.

(12) **Revelings.** Acts of dissipation under the influence of intoxicants.

(13) **The Fruit of the Spirit** (v. 22).

This indicates action in the realm of life, the product of the Holy Spirit in the lives of believers.

1. **Love.** God and man.

2. **Goodness.** Because of what God has done for us.

3. **Peace.** With God and fellowmen.

4. **Longsuffering.** Taking insult and injury without murmuring.

5. **Kindness.** Goodness to others.

6. **Goodwill.** Doing good to others.

7. **Faith.** Believing God and committing all to Him.

8. **Mekness.** Submission to God.

9. **Temperance.** Self-control in all things. Against such there is no law.

Man's Sorrows

Man's sorrows are a mystery, but that similes should not have sorrows were a sudden mystery still. And God pleads with us not to use the good “of” experience for the bitterness of sin by his severity or blindness to their meaning. Alexander Maistre

senting us a man who is one of the
foremost leaders in the nation, who is
true to our interests, one of the close
friends of the President, and Chair-
man of the Appropriations Commit-
tee.

One member of Congress would be
representing us a man of racial pride, but it
would be most important that the
political effectiveness and therefore, I
feel, it would be most important that the
President's term be extended.

Music by Dave Peyton's Syncop-
